

Quality Made in Germany since 1924

Flexible metal working with ARTIFEX

We create perfect surfaces.

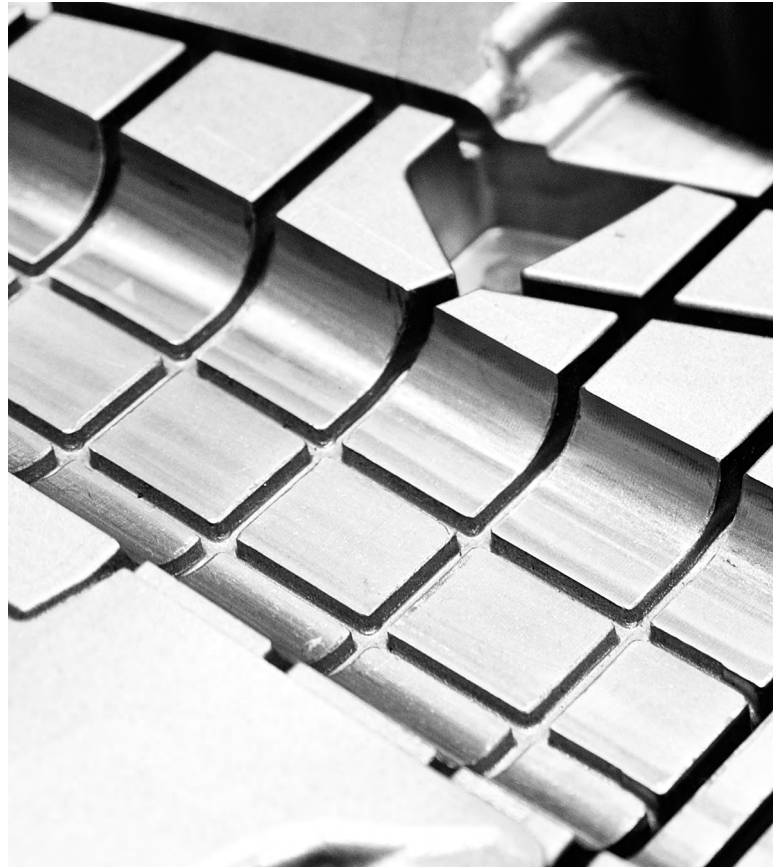

Our Tool Overview

PRODUCT PDS	TYPE OF GRAIN	BONDING	GRIT SIZE	COLOUR	DELIVERY FORM	APPLICATION	"FEATURE"
SC - P	Silicon carbide	Foamed polyurethane	24 46 80 150 250 400	green	Mounted points Fingerring cones Blocks Peripheral wheels Cup wheels and customised solutions	Allround Metal Turbine blades Jewellery Medicine	Cool process
EK - P	White fused aluminium oxide	Foamed polyurethane	24 46 80 120 240 400	white	Mounted points Blocks Peripheral wheels Cup wheels and customised solutions	Special for Aluminium	Cool process
NK - Rplus	Aluminium oxide	Rubber vulcanised	46 60 80 120 240 400	brown	Mounted points Blocks Peripheral wheels Cup wheels and customised solutions	Allround Metal Mounted points	Especially high service life
EK - G	White fused aluminium oxide	Foamed polyurethane	46 60 80 120 240 400	brown	Mounted points Blocks Peripheral wheels Cup wheels and customised solutions	Mold making CNC Robots	Especially high service life
EK - GP	White fused aluminium oxide	Foamed polyurethane	80 120 240	green	Mounted points Blocks Peripheral wheels Cup wheels and customised solutions	Fine grinding	High amount of polishing powder
EK - MFP	White fused aluminium oxide	Foamed polyurethane	120 240 400 600 800 1000	according to grit size	Mounted points Blocks Peripheral wheels Cup wheels and customised solutions	Superfinishing Gears Flat- and profile grinding External grinding	Especially fine porous
SC - HZP	Silicon carbide	Foamed polyurethane	24 46 80 150	green	Peripheral wheels and customised solutions	Saw blades	Especially aggressive bonding
NK - HZP	Aluminium oxide	Foamed polyurethane	24 46 80 100	according to grit size	Peripheral wheels and customised solutions	Saw blades	Especially aggressive bonding
DA - R	Diamond	Special Rubber bond	6 - 80 µm	according to grit size	Mounted points Blocks Peripheral wheels Cup wheels and customised solutions	Mirror finish on hard metal	Elastic bonded diamonds
SC - HDR	Siliciumcarbide	Special Rubber bond	Very fine	blue	Mounted points Peripheral wheels and customised solutions	Edge rounding and polishing Drillpolish	Especially hard rubber bond
SC 5D	Silicon carbide	Polyurethane	80	grey	Blocks and customised solutions	Removal of the metal bond, expose the diamonds	Extraordinary life span
SC - MZ	Silicon carbide	Foamed polyurethane	30 60 120 240	black	Blocks and customised solutions	Grinding Cleaning Polishing	Like an eraser
EK - MFZ	White fused aluminium oxide	Foamed polyurethane	30 60 120 240	according to grit size	Blocks and customised solutions	Grinding Cleaning Polishing	Like an eraser

The ARTIFEX-promise

We stand for tools that guarantee the highest quality standards. All ARTIFEX products are “**Made in Germany**” and their above-average service life speaks for itself.

Our Service: You have individual requirements – we offer customised solutions regardless of the material, shape or dimensions. We will gladly advise you on your premises.
